DESIGN & PRODUCTION

Savir Design A/S

DESCRIPTION

The Gate Student chair for classrooms and educational environments.

The Gate Student chair comes as standard with seat/back in 100% recycled PP. Seat upholstery is available in fabric group 0-4. Castors in polyamide and soft lanes DIN iso 12529. Footbase in polyamide and 30% reinforced glassfabric for optimal resistance

 All components of the product can be disassembled and replaced or source sorted and recycled to reduce the consumption of raw materials in production and thus contribute to the sustainable management of the earth's resources. Savir Design receives all used Savir products for recycling at the end of its life cycle to promote the circular economy and thus reduce the overall environmental impact of production and consumption.

 Gate Student 9500 and Gate Young Student 9501 with black shell and black footbase are granted with the EU Ecolabel.
